ALERT

IMPORTANT NOTICE TO ALL EXHIBITORS – As it pertains to the current COVID-19 pandemic, the following additional rules/laws/regulations shall apply to all exhibitors entering these shows. Exhibitors agree to hold the show giving club, Susque-Nango Kennel Club, Inc., and the American Kennel Club harmless in respect to these rules. Exhibitors entering these shows do so at their own risk understanding that the club will abide by all rules and laws of the city, county, state and local municipalities. These rules may change between the release of this premium list, the closing time for entries and up to the starting time of the event. Every effort will be made to keep all exhibitors apprised of such changes. Any changes to said rules/laws/regulations will be sent out with the exhibitor acknowledgements and the show giving club will post any changes to said rules/laws/regulations at the event site 30 minutes prior to the time of judging.

- No one may attend these events if they (or any family member) have active COVID-19 or have tested positive for COVID-19 or are otherwise not in good health.
- All Federal, State and Local guidelines that are in place on the date of the event **MUST** be followed, without exception, which may include the use of gloves, masks, social distancing, etc., and shall apply to all participants. Hand sanitizer and disinfecting wipes will be supplied.
- All Suggested Best Practices as provided by the AKC will be followed by attendees.
- Any individual violating these rules will be asked to leave.
- An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. By attending these events, you voluntarily assume all risks related to exposure to COVID-19.
- This page (<https://www.akc.org/press-center/covid-19-updates-from-the-american-kennel-club/>) has the AKC's "Suggested Best Practices" that we'll have to follow. Obviously they'll be updating things as we get closer to the dates of our show. Please let Julieanne know if you have any questions.

There will be no indoor crating, all competitors will work from available stables or their vehicles. It will be October and the weather can be quite variable. Please plan accordingly for the comfort of both you and your dog.

The trials will be run concurrently, classes of the same level will run "back to back". This is a very efficient method and should limit the amount of time that an exhibitor needs to be at the trial site.

The closing date is September 23 - which is 2 weeks prior to the trials.

Dry camping will be available onsite. No hookups, electric, water, sewer, no charge.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area(s) - Will be out of view of search areas. Staging area(s) could include warm-up boxes, waiting area, check-in table/board for posting of running orders and results. **Handler's Briefing / Walk Through** - Will take place in view of the search area prior to the start of each class/level, after the hide(s) have been set and the Demo Dog has run. At the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, max. height of hides and max. time for the search. No dogs are allowed at the briefing. However, if the handler is unable to attend the group briefing the judge will provide an individual briefing at the start line. **Warm-Up Area** - One labeled container per target odor being used in the trial on that day will be placed in the warm up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so others may be able to use the warm-up area as well. Clubs may also place blank containers. The warmup area is not for training or relieving the dog!

SEARCH AREA AND RING CONDITIONS

Search Areas - May be of any shape, and of the size specified in the Regulations for each class. Search area conditions may be indoors, on matted, carpeted, tiled, concrete, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

SEARCH AREA SIZES - Will be as follows:

CONTAINER: Novice 250-400sqft, Advanced 400-600sqft, Excellent 600-800sqft.

ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future. **Possession of Odors and Training.** Chapter 5. Section 35 of the Scent Work Regulations state “No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area. **Spectator Area.** Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. **Exhibitors are responsible** for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

First Place	Blue
Second Place	Red
Third Place	Yellow
Fourth Place	White
Qualifying Search	Dark Green

Title Rosettes - Will be awarded to all dog/handler teams finishing an element, level or elite title. Please indicate on your entry form if you anticipate earning a title at these trials.

High In Trial (HIT) The club will offer a HIT club logo patch for each difficulty level for each trial. Only teams who participate in the same difficulty level in all elements offered, and qualify in each, are eligible to win High in Trial. The High in Trial is determined by adding a team’s faults across the elements. The team with the fewest faults will be declared High in Trial. If there is a tie based on faults, then the teams’ times across the elements will be summed, and the faster-finishing team will win. If there is a tie after considering both faults and time, a coin-flip will determine the High in Trial.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. Susque-Nango Kennel Club, Inc. and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. Susque-Nango Kennel Club, Inc. reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Susque-Nango Kennel Club, Inc. or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS

No Entry Fee - Will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing due to an injury or other medical condition are not eligible for a refund.

Bitches in Season - Are not permitted to compete. A full refund will be issued for the bitch in season entry. Notification in writing must be given to the trial secretary no later than 1/2 hour prior to the start of the 1st class of the day of the trial (sooner is always appreciated!).

RINGSIDE

Judges are not required to wait for dogs - The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Exhibitor Check-In - At check-in you will receive your armband number. Once the time and location for check-in is determined all exhibitors will be notified by email. Exhibitors **MUST** check-in for EACH for trial they are entered. Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.
